

# Ladies' Day 2021

*“The Kittens in the Hayloft:  
Seeing the Parables in Daily Life”*

**SPEAKER: Sandi Rinderer**

Our first Ladies' Day during a pandemic was very successful.

On Saturday, April 24, fifty-four ladies assembled to hear about parables in our daily lives. Sandi Rinderer discussed 5 tools that help us to sharpen our perception of when God is speaking to us.

5 Tools, just a handful...

1. Prayer – Ask for eyes to see, ears to hear, an open heart and mind
2. Gaining Knowledge by spending time in His Word
3. Asking for Wisdom, which He promised to give us freely
4. Trusting God to Keep His Promises
5. Recording what we have learned so that we can reuse it & share it

We encourage everyone, every day to pack up these tools and take them with you. Use them daily, so they don't rust or grow dull and so that you stay adept at using them.

The more you use any tool, the better you become with it.

Then, be prepared to hear God speak and teach and share with you new insights and understanding of His Truths. It is not a revelation of something new, but an increased understanding of His depth and timeless truths. Watch for the Parables around you daily.

It was our first time to have boxed lunches at one of our Ladies' Days. They were enjoyed by all. You could sit in the Fellowship Room and listen to the laughter and new friendships being formed.

We give a big thank you to everyone who attended, participated in the program, donated door prizes, worked in registration, helped decorate the building, cleaned up, worked PowerPoint & Sound, and took pictures.

**Special thanks to Paula Lovett for leading this event!**

Pictures will be available on the church website.

Make plans to participate in next year's Ladies Day.
