

Marvel at God's Power

Last Quarter in **Kidspiration**, Oxygen Man and his team were challenged by the anonymous Riddler to prevent a disaster in Star City! The Team became known as "**The Defenders**", and each week they had to solve a riddle sent by the diabolical Riddler to prevent the disaster!

The riddles all related to well-known Bible Heroes, from Joseph to Moses, and even Joshua. Billy Batson, the famous journalist from the Daily Star and his assistant, Mary Meriwether, helped deliver the riddles to **The Defenders** which were recorded on mysterious old audio tapes!

As the weeks progressed, **The Defenders** discovered that the Riddler was a resident of Star City. So, they began to create a list of suspects from everyone they knew in the town to try and identify the Riddler. Each time they solved a riddle, a new piece of a picture of the Riddler would be revealed.

Bleep Tribex, **The Defenders'** secret supercomputer, helped solve the riddles each week.

The Riddler was not revealed until the final week when we discovered that there were actually THREE Riddlers – Professor Parrot, Sparky the Engineer, and Lucy Librarian! We learned that the disaster that they were trying to prevent was the citizens' lack of Bible Knowledge. It was revealed that the letters of Bleep Tribex could be rearranged to form "Bible Expert"! All along, the Riddlers just wanted everyone to know their Bible!

In the end, Billy Batson was able to write a great story, the Riddlers joined **The Defenders**, and Mary Meriwether blew one more bubble!
