Celebrates Fall

Fall is certainly an exciting time for our young people. Starting a new school year is just the beginning. Leaves begin to change, colder temperatures arrive, and there are so many things to do!

There was certainly no shortage of activities. The haunted house was a blast. We had 15 students attend, eight of which were visitors! Our students love the Lord and love to bring their friends to events to help lead them closer to Him. The night after the haunted house, we had the hayride. There were a few scares at the hayride, like Roger in his mask, and putting your life in Larry Hime's hands as you sit on a hay bale, but overall just a really fun evening.

Finally, we had Celebration! Celebration is one of our FAVORITE trips of the year. We head to Kentucky Dam Village, and attend a youth rally with over 40 different Churches of Christ and over 1000 kids in attendance. This trip is not only fun, but

challenges our young people every year. There are late night devos, and even later night meals, and even later late night talks about life. We sing, and sing, and sing. There is no greater joy than listening to the kids in the youth group sing loud and proud the songs they learned from the weekend on the ride home.

Add in Church Picnic, Trunk or Treat, S.O.A.P. and more and we have had a really busy fall so far, and can't wait to see what God delivers in the winter months ahead.
