

Quarterly Wrap-Up

This quarter we took a detour from our usual Kidspiration highway, taking to the backroads, as we wound up stopping in at Phillip's Filling Station. At Phillip's we not only got our gas tanks refueled but we learned what it meant to be filled with the Spirit.

Phillip was a mechanic, who had a great staff at his garage who all loved God and encouraged each other each week with various Bible verses and stories. Phillip's daughter Flo was the manager of the garage and kept everyone in line. She worked alongside Wendy Washer, the car washer, and Tammy O'Toole, parts manager to make sure all the areas of the garage were working together. Pickett A Part was a new mechanic at the shop and worked with puppets, Ratchet and Clank, to get all the cars up and running.

Our memory verse was Exodus 31:3 "And I have filled him with the Spirit of God, in wisdom, in understanding, in knowledge, and in all *manner of* workmanship." We learned so many stories from important ladies of the Bible like Esther, Deborah, and Ruth, to the apostles Thomas, James, and John. We learned about how important each of us is through stories like Jonathan, and learned how important we are in the body of Christ. All of these stories reiterated how important it is to be filled with the Spirit.
