We had another great year of participation with the Lads to Leaders program. We had 21 participate in events throughout the year with 19 able to attend the convention. Congratulations to **Janiesha** for winning **FIRST** place in the Art Painting category for the second year in a row and **Breanna** for winning **SECOND** place in Mass Media Powerpoint. **Breanna** also was awarded a scholarship to Harding University based on submission of an essay and her past participation in Lads to Leaders. We also had three teams compete in Bible bowl and they all learned something new from the book of Exodus. Be sure to visit and greet each participant at their display table in the hall and lobby. This was the largest number of participants we have ever had and everyone did great and we are very proud of them.

Special thanks to **Alex Bishop** (a Lads to Leaders Alumni) for working with the boys on song leading and to **Kory Crow** for leading devos at the convention.

**CHARLOTTE

The theme for this year was ***"I Am"*** from Exodus 3:14.

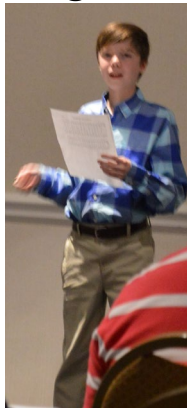

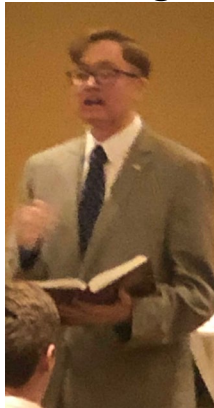

Several attended the Easter service at the hotel and heard young men deliver lessons related to this theme.

We will soon begin working towards next year and the theme for 2020 is ***"Lost?"*** from Luke 15 and the bible bowl will be on the book of Luke. We hope to have another great year so invite your friends to join us.
