

# Good Morning Charlotte Heights!

Last Quarter in Kidspiration, Marla & Darla hosted their very first Talk Show. It was called **Good Morning Charlotte Heights!**, and it was produced by **Sunrise Studios**.

Each week, they welcomed the sunrise with an amazing story of God's power! They had special guests each week who joined them to discuss these stories.

**Carla** and her big brother, **Chet**, joined in by conducting **iCarla's Cool Creations!**

These were games and activities that emphasized the week's lesson and provided some fun, as well. We learned how difficult it can be to create something wonderful and how God created everything.

Our Roving Reporter, **Mario Hillario**, was on hand each week with his video interviews.

He gave us exciting inside looks at what our own church members think about various topics when being interviewed on the spot!

And, we give a special thanks to **Gopher**, the Sunrise Studios Technician. Lights, Cameras, Videos, Electric Signs, and Microphones were all part of his job duties that he kept rolling and active. We couldn't have done it without his behind-the-scenes expertise!

Don't forget our Memory Verse: **Job 42:2 (ERV)**

*"I know You can do everything. You make plans, and nothing can change or stop them."*
