

## & the Mystery of Moses

*Last quarter the Youth Group did the first ever online Kidspiration!*

*They met once a week to film the episodes that would be shown online and in Kidspiration when we started meeting together. I am very proud of the entire Youth Group for all their hard work.*

The theme for the quarter was **Scooby Doo & the Mystery of Moses**.

Mr. Moses owned the Music City Museum, a strange warehouse of odd country music memorabilia. It was rumored that the Museum was haunted by the “Yo Mama Llama”, a ghost Llama that would insult mothers of the of the museum’s guests. Scooby and the gang met a whole cast of characters including Mr. Cheatham (the bank manager), Mickey Mayhem (the radio DJ), Dewey Cheatham (the struggling rock-star), Sammy Sweetheart (the not so sweet receptionist), and Brittney Moses (Mr. Moses’ daughter).

Along the way, the gang learned a lot about the story of Moses in Exodus and even some about Joshua.

Each week they learned more about God’s Word and came closer and closer to finding out just who was the Yo Mama Llama.

Finally, the gang figured out that it was Mr. Cheatham and Mr. Moses who made up the story of the Yo Mama Llama to make extra money. Sammy Sweetheart worked for the FBI and arrested them for the fraud. The gang then helped turn the Museum into a homeless shelter for the community. It was a great adventure!!
