

Egyptian Excavation: Digging Into the Life of Joseph

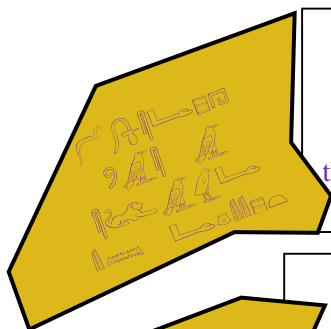

VBS was a great success! **Mr. Relic, Artie Fact, and Archie Ology** brought the entire **Egyptian Excavation Museum** to **Charlotte Heights**. But, they didn't have enough artifacts, so they had to hire 4 Archeologists (**Ben Shovelin, Rollo Roller, Dusty Detergent, and Harry Glyphics**) to take a trip to Egypt to see what other artifacts they could find.

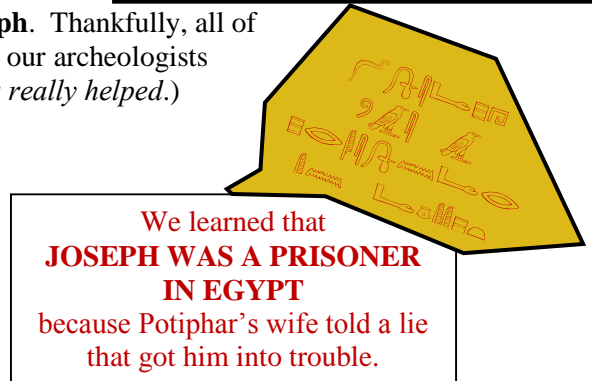

In Egypt, the Archeologists uncovered 5 tablets. The 1st tablet told us that the giant pyramid contained artifacts from the **Life of Joseph** and that the pyramid could only be opened when the **Life of Joseph** was "put back together." This confused **Mr. Relic** because neither he nor any of his helpers could figure out what it meant. They were also surprised to find out that **Joseph** lived in the land of Egypt since he was Jacob's son.

The other 4 tablets revealed several facts about the **Life of Joseph**. Thankfully, all of the boys and girls were able to translate the Hieroglyphics since our archeologists weren't having much luck! (*I guess Clarabelle's Hieroglyphics really helped.*)

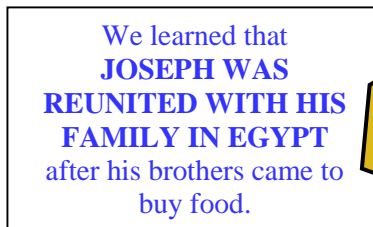

We learned that **JOSEPH WAS A SLAVE IN EGYPT** because his brothers were jealous and sold him to a band of Midianites. Then, the Midianites took him to Egypt and sold him to Potiphar.

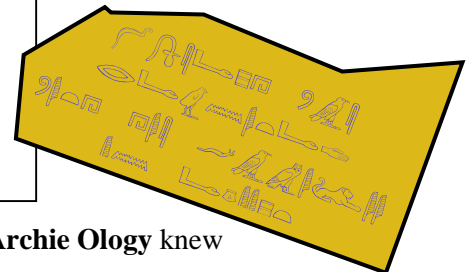

We learned that **JOSEPH WAS A PRISONER IN EGYPT** because Potiphar's wife told a lie that got him into trouble.

We learned that **JOSEPH WAS A RULER IN EGYPT** because, with God's help, he interpreted Pharaoh's dreams.

We learned that **JOSEPH WAS REUNITED WITH HIS FAMILY IN EGYPT** after his brothers came to buy food.

We got to see the entire **Life of Joseph** come alive because **Artie Fact** and **Archie Ology** knew that the story could be found in the **Bible** in the **Book of Genesis**. It's easy to learn what the Bible tells us. All you have to do is **DIG!**

And, what about the giant pyramid? Well, thanks again to some very clever boys and girls, we figured out that when we put the pieces of the broken tablet back together, the pyramid opened. And, we all got to go inside to see the artifacts from the **Life of Joseph!**
