

"A woman
who fears the
Lord,
she shall be praised."
(Prov. 31:30)

LADIES DAY 2018

Courage: A Recipe for Life
Speaker: Laurel Sewell

Our fifth annual Ladies day was a huge success! On Saturday, April 21, one hundred and forty three ladies assembled in fellowship as Laurel Sewell gave us four ingredients to live courageously:

1. Look inside yourself to see what ingredients you already have.
2. Add generous amounts of faith. Faith gives courage and faith comes from the Bible. Pray for courage.
3. Sweeten your relationships. Remember the two greatest commandments: Love God and love each other.
4. Share your courage with others. Encourage others by comforting each other, expressing gratitude and building up each other.

After this uplifting lesson, we had a delicious lunch of salads and sandwiches and mini-pies while sitting at tables decorated by our talented ladies. Pictures will be available on the church website.

So many positive comments were received and there are many people to thank who made this day possible. A big thank you to everyone who attended, participated in the program, prepared food, gave donations, donated door prizes, mailed out and handed out flyers, worked in registration, decorated tables, shopped for supplies or decorations, decorated the church, set up tables, cleaned up, worked PowerPoint / sound or took pictures. Make plans to participate in next year's Ladies Day.
