

Wednesday Nights 6:15-7:45

Our new **Kidspiration Club** program began on Wednesday, August 21, 2019 and was a great success! We had 21 children the first night!

Each week, the children meet for a Kick-off Session in the Kidspiration Room. Then, they rotate in age groups between Large Group Sessions, Handbook Sessions, and Game Time.

The children earn points for attendance, bringing their books & bag, wearing their T-Shirts, participating, bringing visitors, doing memory work, completing lessons, etc.

The program runs in parallel with the school year. There are some special event nights. So, you may see the Clubbers (children) and the Adult Volunteers in silly socks, stripes, or with silly hair. You never know.

If you have children, grandchildren, nieces, nephews, friends, or neighbors who might be interested, please tell them about this program.

Orange Group
Pre-K

Red Group
K - 2nd Grade
