Now Is the Time

To Stand Up to the World

By Josh Barnett

I Samuel 17:45-48 (NKJV)

45 Then David said to the Philistine, "You come to me with a sword, with a spear, and with a javelin. But I come to you in the name of the Lord of hosts, the God of the armies of Israel, whom you have defied. 46 This day the Lord will deliver you into my hand, and I will strike you and take your head from you. And this day I will give the carcasses of the camp of the Philistines to the birds of the air and the wild beasts of the earth, that all the earth may know that there is a God in Israel. 47 Then all this assembly shall know that the Lord does not save with sword and spear; for the battle is the Lord's, and He will give you into our hands." 48 So it was, when the Philistine arose and came and drew near to meet David, that David hurried and ran toward the army to meet the Philistine.

Now Is the Time To Stand Up to the World

One of the most well-known battles in the Old Testament was not between two armies. It was between two people. It was the battle in the Valley of Elah between David and Goliath. I believe that is fitting for our daily warfare. Our greatest battle is not in some World War or other great war. It's the day-to-day struggles that we can face. David found his giant in the Valley of Elah. His giant had the name "Goliath". David's purpose of being there was to visit with his brothers. He had no idea prior to coming that he would face the greatest test of his early life. Goliath used the military tactic commonly used in the Eastern world. He used "representative battle", which is a one-on-one fight. He represented the Philistines, and whoever Israel chose would represent them.

Whoever won, his army won. And whoever lost, his army lost. Goliath didn't issue this challenge for one day or one week.

He challenged the army of Israel for forty days.

"For forty days the Philistines came forward every morning and evening and took his stand." (I Samuel 17:16)

The enemy took his stand forty days. That was forty days too long.

Sin will not stop on its own. The world's influence will not go away if we wish it away. We have to take a stand on the foundation that Jesus laid. It was someone in his youth that made a stand against the mighty Goliath. We may not ever face a nine foot, nine inch tall person on a battle field. We do face worry, doubt, shame, depression, and anxieties. We also face temptation, sin, and fleshly desires.

It's no wonder that Paul exhorted us to put on the whole armor of God.

The Christian life is not won at major moments like on a battlefield. It's won in the day-to-day grind of life.

If you feel like life has knocked you down, you need to be like David and stand up to the world.

If you have fallen away, you need to stand up to the world and come to the Lord.

Now Is the Time To Stand Up to the World!

In Him,

Josh Barnett
