Building A Better You

God is the Master Builder. He spoke the physical world into existence (Genesis 1:1). He knows the right way to build. When it came to the ark, God told Noah to build it with “gopherwood” (Genesis 6:14). What if Noah used pine, oak, or cypress? I believe it wouldn’t have floated because it was not what God said to use to build the ark. What about the Ark of the Covenant? God told Moses according to the pattern of how to build it. The ark was made of acacia wood. It was a specific length, width, and height (Exodus 25:10-11). The wood was covered with pure gold. What if Moses decided to use a different type of wood? Moses didn’t because he knew to follow what God said.

What about when it comes to life? Did God, the Master Builder, provide what we need to build a better life? The answer is in Jesus. Jesus was God in the flesh. He revealed the Father in His words and works. The Gospel according to Luke gives us how Jesus grew in His earthly body. *“And Jesus increased in wisdom and stature, and in favor with God and men”* (Luke 2:52). The Word of God has provided a blueprint or pattern to live our lives as Jesus did. I believe Luke 2:52 is as important to us in how to live our lives as it was for Noah to build the ark out of gopherwood.

We can choose to live some other way; however, the obedient way is as Jesus lived in this life.

We are focusing this week at V.B.S. on *“Building a Better You”*. How do we go about building that? It starts, continues, and ends with Jesus Christ. It doesn’t matter your age. It doesn’t matter what trends are in the world. It doesn’t matter what the world thinks. We all need to consider the Master Builder’s way of building. We do so in wisdom, stature, and in favor with God and men. Let’s make it a great V.B.S. by doing as Jesus did.

In Him,
Josh Barnett

July 14-17 (6:30-8:30)

"Building A Better You"

That's the slogan of the Bible Fun Factory.

Bible Fun Factory

Building A
Better
You!

Mr. Booker has been the owner of the Bible Fun Factory and has made Bibles there for over 50 years. But, it's time for him to retire. The plan is for Mr. Booker's nephew, Andy Droid, to become the new manager.

But Andy has some different ideas about what Building a Better You is all about.

Andy has just graduated from a Robotics Institute.

Is Building A Better You about turning people into Robots, or is it about following the Bible?

Don't miss a single night of VBS this week!

You'll either learn all the answers, or we'll download the answers into your memory circuits.

You'll see 4 Bible Stories come to life, and you'll learn 4 important lessons about Building A Better You.

Each lesson has its own nightly Memory Verse, and our Main Memory Verse is Luke 2:52.

Be sure to learn them all and say them at the Memory Verse Station. Prizes will be given at the end of VBS.
