How To Deal With S.T.R.E.S.S.

By Josh Barnett

2 Chronicles 20:7-13 (NKJV)

7 Are You not our God, who drove out the inhabitants of this land before Your people Israel, and gave it to the descendants of Abraham Your friend forever? 8 And they dwell in it, and have built You a sanctuary in it for Your name, saying, 9 'If disaster comes upon us—sword, judgment, pestilence, or famine—we will stand before this temple and in Your presence (for Your name is in this temple), and cry out to You in our affliction, and You will hear and save.' 10 And now, here are the people of Ammon, Moab, and Mount Seir—whom You would not let Israel invade when they came out of the land of Egypt, but they turned from them and did not destroy them— 11 here they are, rewarding us by coming to throw us out of Your possession which You have given us to inherit. 12 O our God, will You not judge them? For we have no power against this great multitude that is coming against us; nor do we know what to do, but our eyes are upon You." 13 Now all Judah, with their little ones, their wives, and their children, stood before the Lord.

No Stress-Free Life

I would be foolish to tell you about a “stress-free” life. A life in Christ is not stress-free in a broken, fallen world. I read an article about how people coped with stress. It ranged from eating chocolate chip cookies to drinking too much. One particular person from Minnesota gives his wife on January 1st one dollar to worry for both of them. He added that someone else could give her a dollar to be worry-free. I'm afraid money cannot buy us happiness nor a stress-free life.

How do you cope with stress? We may do our best to behave and live right, but we cannot control the people around us. We cannot even control the people in our own family. There are too many variables for us not to have a level of stress in our lives. In fact, studies show that some level of stress in your life is good. It keeps us more balanced in life. I don't know. I would like to see for a day what no stress feels like.

We are concluding our series on “How to” with “How to deal with Stress”. I know the word sounds bad because of our experiences with it. However, I want to take the word “Stress” and use it for the good in our lives. I believe the letters provide an excellent approach to the stressors in our lives. It follows the response of King Jehoshaphat and how the people of Judah responded to the invasion of many armies. The story is buried in the book of II Chronicles. What we can learn from it doesn't stop us from having stress in our lives.

It can help us not to be so stressed out.

In Him,

Josh Barnett
