### Enough Series: More Than Enough

By Josh Barnett

**Acts 2:42-47 (NKJV)**

42 And they continued steadfastly in the apostles' doctrine and fellowship, in the breaking of bread, and in prayers. 43 Then fear came upon every soul, and many wonders and signs were done through the apostles. 44 Now all who believed were together, and had all things in common, 45 and sold their possessions and goods, and divided them among all, as anyone had need. 46 So continuing daily with one accord in the temple, and breaking bread from house to house, they ate their food with gladness and simplicity of heart, 47 praising God and having favor with all the people. And the Lord added to the church daily those who were being saved.

## More Than Enough

Do you ever feel guilty with what we have and/or have wasted? I wonder how much food is thrown out each night in Nashville alone. Can you imagine adding up every home and restaurant and weighing how much cooked food is tossed away? If all I need physically from God is “daily bread”, why do I have much more? This is something I wrestle with from time to time. It goes back to my time being in the poor parts of a poor country far away from here. Why has God blessed us with more than enough? We could’ve been born in another country where the people are oppressed and have nothing. In the world’s economy, what we think is not much is a lot somewhere else. One dollar here is just something you can use to buy something at the Dollar Store, but it is a day’s wage in some areas of the world. I understand the cost of living here is much more than in other places. It does help, however, with our perspective on the amount of stuff we have and what we choose to do with it.

Church family, we are blessed! I can say that even in the year of 2020 with tornadoes, derecho, and COVID-19. Our way of life has changed, and we have had to adjust. We may not be able to get up and go like we want. But we still have food, clothing, and shelter as far as physical blessings. We have much to be thankful for during this season of Thanksgiving. God has blessed us with “More Than Enough”. The question is, “what will we do with it?” There are two main options or choices. Let us consider them carefully as we strive to be content with what we already have. Enough!

In Him,

Josh Barnett
