## TODAY'S LESSON

Finding What We Need Under the Sun  
**Finding Purpose**

By Josh Barnett

**Ecclesiastes 3:9-14 (NKJV)**

9 What profit has the worker from that in which he labors? 10 I have seen the God-given task with which the sons of men are to be occupied. 11 He has made everything beautiful in its time. Also He has put eternity in their hearts, except that no one can find out the work that God does from beginning to end. 12 I know that nothing is better for them than to rejoice, and to do good in their lives, 13 and also that every man should eat and drink and enjoy the good of all his labor—it is the gift of God. 14 I know that whatever God does, It shall be forever. Nothing can be added to it, And nothing taken from it. God does it, that men should fear before Him.

## Finding What We Need Under the Son - Finding Purpose

What is the purpose for what we are facing right now in 2021? Do you feel like 2020 has poured itself into 2021 to where there is not much difference? Is there something bigger than what we see, hear, or experience? Why am I alive at such a time as this? What is the reason for the season of life we are in? We are not different than those before us who questioned the same. The Teacher pondered life's purpose under the sun. *"To everything there is a season, A time for every purpose under heaven"* (3:1). He gives events that are favorable and unfavorable on earth. The activities mentioned are a description more than a prescription. He is reflecting on what happens under the sun. It's a purposeless set of events that happen without us being in control. This is difficult for most of us. We like to be in control and to be in the driver's seat. We want the reason "why" to all things we experience. We stretch and find meaning even if it may not be there. This is not possible in all things. We are limited in knowledge and time. *"All go to one place: all are from the dust, and all return to dust"* (3:20).

No, our purpose is not because of this life. We are because of God. The purpose of your life is greater than your own personal enjoyment, pleasure, and fulfillment. It's far greater than your family, your career, or even your wildest ambitions. If you want to know why you are here, it begins and remains with God. You were born by His purpose and for His purpose. If you want to find purpose and meaning in this life, it's in the Son of God. Why settle for things that have been created when we are given an opportunity to be with the Creator? Let us consider finding purpose under the Son and not the sun.

In Him,  
Josh Barnett

### Sympathy

Sympathy is extended to the family of **Buford Batey**, who passed last Friday. Buford was a former member of West Nashville Heights and the uncle of Wanda Madden.

Services were conducted on Wednesday in Charlotte, TN.

*Please keep this family in your prayers.*

### Thank You

I just want to thank everyone for their calls and prayers during my mini stroke. So thankful to God it wasn't more serious. Prayers were answered. Due to that, the valve replacement surgery is being postponed, and they will reschedule it. Thank you again for everything.

Love You,  
Sonja Teitloff

### Quarantine Quiz - Bible Riddles for You To Solve

These riddles are designed to make you think and study your Bible. Be sure to Email or call the church office and let us know when you solve them.

#### Answers to Last Week's Riddles

Correct answers were submitted by:

Tom Whitworth, Beth Wilson, Paulette Baldwin, & Terry Grissim.

#### Riddle 1 – Who Am I?

**Answer: Abigail**

(See 1 Samuel 25)

#### Riddle 2 – What Am I?

**Answer: The 10 Commandments**

(See Exodus 19, 20, 24:18, 32, 34; Deuteronomy 10:3-5)

#### This Week's Riddles

##### Riddle 1 – Who Am I?

Archery was my occupation.

I begat a mighty nation.

Did you know I had twelve sons?

They were princes, everyone.

I was my mother's only child.

She was told that I was wild.

My brother inherited father's wealth

Though I was born the first, myself.

My mother once left me to die,  
But God was there and heard my cry.

If ever you have doubts and fears,  
Think of me and know "God hears".

##### Riddle 2 – Where Am I?

The place I'm in is little.

But don't judge it by its size.

For many things have happened here.

You just might be surprised.

Mighty men once broke in here

Just to get the water.

Later on, it would become

A place of horrible slaughter.

A famous woman is buried here.

A king once called it home.

But fulfillment of a prophecy  
Is the thing for which it's known.

### Thank You

My heart is filled with gratitude and thankfulness for the many beautiful cards, notes, and all the prayers for my many health problems. It means more than I have words for, especially since I have been more or less quarantined for the last 10 months. Our building does not allow visitors, nor family visits. I am still struggling with recovering from eye surgery. It has been slow. But God is blessing me daily! I love and miss all of you! (I am still enjoying the poinsettia.)

In Christian Love,  
Irene Willis

### Thank You

To all the people of Charlotte Heights,  
I love all of you and miss you so much! I hope to be back with you soon. Until then, I'm sending love and prayers!

In Christian Love,  
Jean Arnold

## MALFUNCTION JUNCTION

Welcome to **Malfunction Junction!**

**Malfunction Junction** is a train station where nothing ever seems to go right. What is causing all of the problems?

Last week, Uncle Joe introduced us to Floyd and Charlie Smoot. They are twins, and they own the Train Station at **Malfunction Junction**. Floyd is the engineer, and Charlie works in the Ticket Station with his wife, Betty Jo.

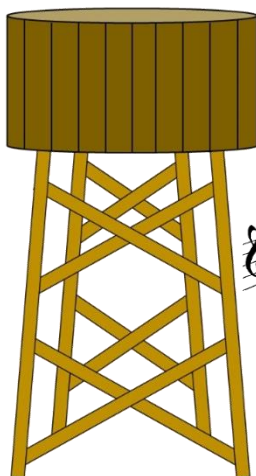

We learned that the **Malfunction Junction** train is called the **Cannonball Express**. It is scheduled to depart every Sunday, but it hasn't left the station in over 10 years. Every week there is some type of malfunction that prevents it from going on its scheduled journey. No one can figure out why.

Last week, the light on the front of the train would not work. We found out that Uncle Joe had taken out the bulb and used it to fix the local streetlight. That was a bad decision. We also learned about a story in the Book of Joshua when the sun stood still in the sky.

This week, the crew will try again to see if the train can depart the station.

### Memory Verse:

*The way of a fool is right in his own eyes,  
But a person who listens to advice is wise.*  
--Proverbs 12:15 (NASB)

*Come ride the little train  
that is rolling down the track  
to the Junction.*

**Malfunction Junction!**

*It's time to make repairs.  
There's no time to relax  
at the Junction.*

**Malfunction Junction!**

*Lots of things break down.  
And there's trouble all around  
at the Junction!*
