TODAY'S LESSON

Finding What We Need Under the Sun
Finding Care

By Josh Barnett

Ecclesiastes 5:1-6 (NKJV)

- 1 Walk prudently when you go to the house of God; and draw near to hear rather than to give the sacrifice of fools, for they do not know that they do evil.
- 2 Do not be rash with your mouth, And let not your heart utter anything hastily before God. For God is in heaven, and you on earth; Therefore let your words be few.
- 3 For a dream comes through much activity, And a fool's voice is known by his many words.
- 4 When you make a vow to God, do not delay to pay it; For He has no pleasure in fools. Pay what you have vowed—
- 5 Better not to vow than to vow and not pay.
- 6 Do not let your mouth cause your flesh to sin, nor say before the messenger of God that it was an error. Why should God be angry at your excuse and destroy the work of your hands?

Finding What We Need Under the Sun - Finding Care in This Life

How careful are you when it comes to the people in your life? I know that sounds strange, but we hear about careless behavior among families. We sometimes hear of a young child left in a hot car. Most of us hear a story like that and think "How could someone be so careless?" How careful are you when it comes to your finances? Do you know where your money is going and coming? Do you even care? I wonder if what we care about is more than what we should.

I enjoy good weather, and I can talk about it for a time. I'm not so wrapped up in it that it's all I want to discuss. I enjoy studying politics and our historical past and present; however, I am not so consumed with politics that it takes away my faithful perspective. I don't know if I ever met anyone who didn't care about someone or something. We have the capacity to care for things. However, we can easily fill our hearts and minds with the wrong things and the temporary things.

Are you careful about your faith and actions toward God? Is your care to please God stronger than other things in this life?

I care about things in this life, but nothing stands greater than our Almighty God. The Teacher felt strongly about "heavenly things". He mentioned God many times in reference to our words and worship. He was convicted in taking our acts toward God seriously. It is not something we take lightly or half-heartedly.

We need to examine our faith and acts toward God and see how careful we are.

In Him,
Josh Barnett

This Week's Riddles

Riddle 1 – Who Am I?

Knock! Knock! Knock!
I'm so glad to hear your voice.
I'll announce that you are here.
I'm sure they'll all rejoice.

Knock! Knock! Knock!
Why do they keep resisting?
I am not beside myself,
But I just keep insisting.

Knock! Knock! Knock!
I don't know why I made you wait.
I don't know why I left you there
Knock, Knock, Knocking at the gate.

Riddle 2 – What Are We?

God created six of us.
There were not any more.
There was one specific purpose
That we were created for.

Three were to the East.
Three were to the West.
Moses set up half of us.
Joshua did the rest.

We were given to the Levites,
Judgement to provide.
We were made to give protection
Until the High Priest died.

MALFUNCTION JUNCTION

Welcome to **Malfunction Junction!**

Malfunction Junction is a train station where nothing ever seems to go right. What is causing all of the problems?

Last week, Charlie Smoot thought he had discovered gold. He decided to search for more gold in the train tunnel.

He even decided to dig and use dynamite to find it.

That was a bad decision!

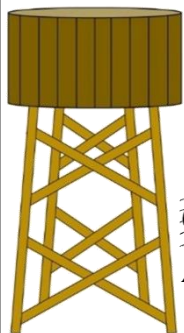

The entire train tunnel caved in, and the **Cannonball Express** was not able to depart. After all of that, we discovered that the gold nugget that Charlie had found was actually the filling out of Uncle Joe's tooth!

Join us this week at **Malfunction Junction** to see if we can determine why all of these malfunctions continue to happen.

Memory Verse:

*The way of a fool is right in his own eyes,
But a person who listens to advice is wise.*

--Proverbs 12:15 (NASB)

Come ride the little train
That is rolling down the track to the Junction.

Malfunction Junction!

It's time to make repairs.
There's no time to relax at the Junction.

Malfunction Junction!

Lots of things break down.
And there's trouble all around at the Junction!
