Finding What We Need Under the Son

**Finding Fear**

By Josh Barnett

**Ecclesiastes 8:10-13 (NKJV)**

10 Then I saw the wicked buried, who had come and gone from the place of holiness, and they were forgotten in the city where they had so done. This also is vanity. 11 Because the sentence against an evil work is not executed speedily, therefore the heart of the sons of men is fully set in them to do evil. 12 Though a sinner does evil a hundred times, and his days are prolonged, yet I surely know that it will be well with those who fear God, who fear before Him. 13 But it will not be well with the wicked; nor will he prolong his days, which are as a shadow, because he does not fear before God.

## Finding What We Need Under the Son - Finding Fear

"The God that holds you over the pit of hell, much as one holds a spider, or some loathsome insect over fire, abhors you, and is dreadfully provoked." This is an excerpt from a sermon preached in 1741 by Jonathon Edwards titled Sinners In The Hand Of An Angry God. This sermon and others sparked the "Great Awakening" in North America. The sermon painted a vivid picture of Hell and God's wrath towards sinners. There was a time and place where this type of sermon was delivered across America's pulpits.

However, the grace and love of God dominates today.

We should not be one sided when it comes to the nature of God. He is more than one characteristic. The "whole counsel of God" includes love, grace, wrath, and fear. The Teacher of Ecclesiastes continued his thoughts with people going through life fearlessly. They were fearless when it came to governing authority. They were fearless in their actions by doing evil "a hundred times" and living a life of wickedness (8:12-13). The Teacher in wisdom expressed the need for us to fear God. "I surely know that it will be well with those who fear God, who fear before Him." (8:12). The Hebrew word for "fear" in this verse doesn't mean "respect and reverence". It is a word that means "to be afraid, to fear". God intended the children of Israel to fear Him when He gave Moses the Ten Commandments. He even created a frightful environment to produce the fear. (Exodus 20:18-20)

My relationship with my parents had love and fear. My mother would say, "What till your father gets home!" She wanted me to be afraid, and I was! As I got older, my relationship with them grew from living in fear to love for them. God loves us, and He doesn't want a single person to perish. If you don't have a level of fear that moves you to a greater love, the world and its temptations could be too much. Let us find a healthy fear under the Son.

In Him,  
Josh Barnett

### Ladies Day Planning Today – 4:00

All ladies interested in helping plan this year's Ladies Day, scheduled for April 24, 2021, are asked to meet in the Fellowship Room at 4:00 today.

### Thank You

With a sincere and humble heart, Tyler and I would like to thank our church family for the numerous cards, calls, texts, and most of all prayers as we have mourned the loss of my precious mom, Marie. The past several weeks have been extremely challenging and emotional to our family, and knowing that others are there to hold us up in our time of need means much more than words can describe. My mom was a living example of a true Christian, putting God first and spouse, family, and friends even above her own needs and wants. She knew her time on earth was temporary and that her journey to heaven would be filled with many paths. Knowing her personal journey on those paths would have its ups and downs, she held her head high, living each day with laughter & love, finding good even in the darkest of days. God bless each of you and thanks again.

## MALFUNCTION JUNCTION

**Malfunction Junction** is a train station where nothing ever seems to go right. What is causing all of the problems?

Last week, the repairs to the bank were not completed. The columns on the front of the bank were wobbling. Floyd Smoot decided to start the train engine, and the noise made the columns fall on the train. **That was a bad decision!**

Join us this week at **Malfunction Junction** to see if we can determine why all of these malfunctions continue to happen.

### Memory Verse:

*The way of a fool is right in his own eyes,  
But a person who listens to advice is wise.*

--Proverbs 12:15 (NASB)
