Words For The World: JOY

I cannot forget hearing in the delivery room of our firstborn the news “Congratulations! You are a father!” It was so overwhelming and spectacular all at once. This was the first time the word “father” applied to me. What a difference a word can make! I cannot forget sharing the news with my parents after I was hired for my first local preaching job. I was about to graduate with my undergraduate degree, and I was the preacher for a congregation in Brownsville, TN. What a difference a word can make! I better not forget July 1, 2000, when Janet’s father pronounced us “husband and wife” for the very first time.

A simple word can change your life and set you on a new path.

One word can transform not only how you see yourself but how you see everything else.

In the final month of the year, I want us to focus on “Words for the World”. It begins with the announcement of the birth of Jesus by the angel to a group of shepherds. The angel said to them, “*Do not be afraid, for behold, I bring you good tidings of great joy which will be to all people.*” (Luke 2:10).

What is joy? Why is joy so great? Let us consider this “great joy” for the world.

In Him,

Josh Barnett
