The Librarians: Lost in Exodus

Join us at the Library for this year's VBS. We'll have a nice, quiet time to read, study, & reflect!

The Librarians will be on hand to make sure everything is calm and quiet! You'll meet Dewey Decimal, Alfalfa Bet, Theo Saurus, Connor Cordance, Lex E. Con, Hubie Quiet, Anna Graham, & others.

The Library contains several archives that you can visit, including the Egyptian Archives, where many Egyptian artifacts are on display.

We are also excited to announce that we will be reopening a section of the Library that has been closed for almost a century. It is called the **Biblical Archives** section. This section of the Library was closed after one of the Librarians mysteriously disappeared from this area without a trace in 1924.

There have also been reports of strange voices coming from this section of the Library.

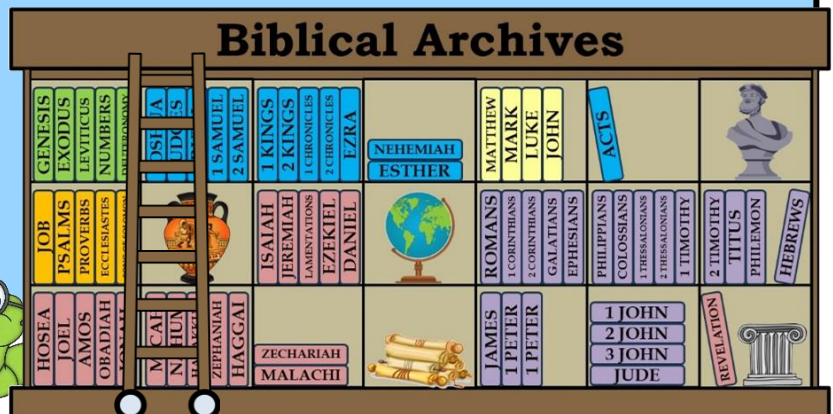

But don't worry. This is all just old folklore. Right?

The Grand Reopening of the **Biblical Archives** will take place on **July 14, 2024!**

In celebration of this Grand Reopening, The Librarians have put together a display of the **Life of Moses**.

We'll also have Puppets, Singing, Crafts, Refreshments, and more!

Don't miss this year's VBS!
